

KLOVE (FM 107.1, 100.9 and 92.9) is the only radio station that I listen to. I would be very disappointed if it went off the air due to the LPFM stations that may be taking over the FM translators. I believe that this station helps - through it's many public service announcements and uplifting music - to build stronger family values across the nation and in my community. Please do not take KLOVE off the air in my or any other area.
